

Kickstart Placement Trainee Research Assistant, Creative Industries, Investment

Placement summary: You will be trained to support the Investment team by researching and gathering data which supports our activity to help attract a broad and diverse range of creative companies to our [investment offer](#).

Creative England is part of the Creative UK group. We are the network for the creative industries and we know that connection changes everything. Our overarching mission is to leverage the economic, social and cultural value of the UK's creative economy to build prosperity and bring communities together. We are committed to building a team that represents a variety of backgrounds, perspectives, identities and talents.

The introduction of the UK government Kickstart Scheme brings an exciting opportunity to create a new role for a young aspiring researcher within the creative industries investment space. You will receive training and support throughout the placement with clear development objectives. Placements will develop knowledge and skills of the creative industry investment landscape, whilst bringing a young fresh perspective to the support we provide to industry.

If you are passionate about the creative industries, looking to begin or build on your administrative and research skills, then we want to hear from you!

CONTRACT: 25 hours per week, 6 months

PAY: 100% of the [National Minimum Wage](#) (or the [National Living Wage](#) depending on your age)
