

## Kickstart Placement

### Trainee Membership Assistant, Creative Industries x 2

Placement summary: You will be trained to support a team of creative industry experts across research and membership administration, developing knowledge and experience across business development within a creative environment.

Creative England and Creative Industries Federation are part of the Creative UK group. We are the independent network for the UK creative industries and we know that connection changes everything.

The introduction of the UK government Kickstart Scheme brings an exciting opportunity to create a new role for a young aspiring partnerships or business development professional with an interest in the creative sector. You will receive training and support throughout the placement with clear development objectives and scope to continue into longer-term employment. Placements will develop knowledge and skills of account, database management and general administration whilst bringing a young fresh perspective to the impact we can make across the creative sector.

If you are passionate about building a career within the creative sector, database management, administrative and business development skills, then we want to hear from you!
