We treat everyone as individuals and will consider personal circumstances when communicating or engaging. We will assist you by making reasonable adjustments so that you can access the opportunity on offer. Reasonable Adjustments may include but are not limited to;

- Providing information in a different format such as an accessible PDF, large print, Easy Read, audio or braille
- Conducting face-to-face meetings via screen-based applications where preferred
- Providing extra aids or services
- Changing the way things are done

When making adjustments we will consider each individual and their specific circumstances.

This also applies to our own team who can request reasonable adjustments so that no one is placed at a disadvantage. This includes but is not limited to hybrid working, flexible hours and continuous support across health and well-being.
